# St. Michael's

University of St. Michael's College

Vol. 31, No. 1, Spring 1993

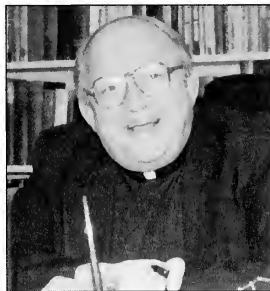

## Father Donald Finlay, C.S.B. takes up new assignment

On 1 January 1993, Father Donald Finlay, C.S.B. took up a new appointment in the Basilian Fathers: Director of Retirement and Ageing.

Father Finlay's perseverance in his service to the University of St. Michael's College since 1966 in positions of burdensome authority and responsibility show clearly that he is no "flash in the pan." He served first in the Pontifical Institute of Mediaeval Studies as Librarian. In more recent years he has been Head Librarian of the John M. Kelly Library. He has been Superior of the Basilian Fathers of the Pontifical Institute and, more recently, of St. Michael's College. He was also a long-time member of the Collegium, St. Michael's governing body, and Master of Ceremonies for major College liturgical functions.

Father Finlay's contribution to the life of St. Michael's was not limited to his multiple administrative duties. For the majority of his years at St. Michael's he was, as someone has noted, "a very effective resident Don." He was known to many students, parishioners and other

Toronto citizens as the celebrant of the noon Mass in St. Basil's Church. The story is told that when passing through airport customs around noon one day the custom's officer looked at him and said, "Who's saying the twelve o'clock?"

The University of St. Michael's alumni thank Fr. Finlay for his many years of service and for the many good memories he has given them; they wish him well in his new and important post.

## St. Michael's retains Mulock Cup, 26 - 0

While Toronto's Santa Claus parade passed by Varsity Stadium on Bloor Street, the St. Michael's football team, cheered on by students, alumni, faculty and administration, were giving nothing away to their Erindale opponents in the ninety-ninth Mulock Cup Championship game Sunday 16 November. The first half was a defensive stand-off, but the second half

saw our offense score twenty-six points. The defense continued its season-long outstanding play, causing eight turnovers while once again holding the opposition scoreless.

Congratulations to the team on an undefeated season, and to the triumphant

## *The Challenge of the 90's*

By President Richard Alway

St. Michael's has just completed its one hundred fortieth year. Each of those years has brought challenge, opportunity and growth, sometimes in ways we least expected. The 1980's presented us with the challenge of financially refounding the College. Under the leadership of the then President, Fr. James McConica, the entire St. Michael's community answered that challenge not only with a successful Capital Campaign whose proceeds would provide for future growth, but also with an increasingly generous response to our yearly "Annual Fund Drive", and with the hard decision to sell our Bay Street lands.

As you are now aware from my 4 December letter, the developer with whom we had entered into an agreement has had to withdraw from that agreement. As I said in my letter, the impact of this is direct and serious and involves nothing less than the future existence of the College.

Put quite simply, the "Challenge of the 1990's" has become the survival of St. Michael's. With the end of the Bay Street property sale agreement, St. Michael's faces a yearly deficit that will lead to bankruptcy within the decade. We had already begun to meet that deficit

trio of coaches, Lex Bryd (his seventh Mulock Cup in fifteen years!), Dave Mann,

alumnus Phil De La Giroday 7T7 (defensive coach) and to their assistants Gord and Nelson Martin.

Let us hope that efforts to save the

intra-mural tackle football league from University financial cuts are successful and that the one-hundredth Mulock Cup game will be played.

## The annual fund -- more crucial now than ever

With the cancellation of the Bay Street land sale agreement the Annual Fund takes on increased importance. There are few, if any, educational institutions able to maintain, without endowment funds, a balanced budget. Although its monetary endowment has always been minimal, St. Michael's has had from its beginning a rich "living endowment" in the services of the Basilian Fathers, of the Loretto Sisters, of the St. Joseph Sisters, of diocesan priests and of members of other religious communities. President Richard Alway's recent letter to you makes quite clear that this "living endowment", although still vibrant and dedicated, has been growing steadily smaller. There are young priests and

religious preparing to teach at St. Michael's, but, as any reader of this newsletter knows, their numbers are few.

Many elements have combined to create the spirit and the atmosphere that make St. Michael's the distinctive Catholic educational institution it is today. Among these elements are spiritual, academic, cultural, social, and athletic programmes, services, and activities supported by the Annual Fund. President Alway has candidly presented the effect, even now, of the collapse of the Bay Street land sale on the College's financial situation. In this difficult situation the St. Michael's Annual Fund, which is really the alumni and friends of the College, has become more important than ever to maintaining

adequate admission scholarships and the chaplaincy programmes, and to ensuring the quality of the Kelly Library holdings and of the unique academic offerings in Christianity and Culture and in Celtic Studies.

The 1992-93 Annual Fund year ends on 30 April. To those who have already given, heartfelt thanks. To those who have not yet sent in a 1992-93 Annual Fund gift we send an urgent request for your help. Our goal is \$600,000, all of it needed to maintain the quality of the services, programmes and activities essential to the spirit, atmosphere and academic excellence that make St. Michael's distinctive.

# Faculty of Theology Convocation

On 28 November St. Basil's Church was the site of the thirty-seventh Convocation of the Faculty of Theology of the University of St. Michael's College.

Cardinal Gerald Emmett Carter, Chancellor of St. Michael's, presided over Convocation, presenting diplomas in theology and conferring St. Michael's theology degrees of Doctor of Philosophy and Master of Arts. The Cardinal was joined by Professor Maria Rika Maniates, representative of the Chancellor of the University of Toronto and Vice-Dean of the University's School of Graduate Studies, in conferring the Toronto School of Theology and University of Toronto joint degrees of Doctor and Master of Theology, Doctor of Ministry, Master of Divinity, and Master of Religious Education.

Honorary doctoral degrees were conferred on the Honourable John Black Aird, former Lieutenant-Governor of Ontario and former Chancellor of the University of Toronto, on His Excellency Bishop Ricardo Ramirez, C.S.B., Bishop of Las Cruces, New Mexico, and on Father Joseph Sable, St. Michael's Professor

Emeritus of French and donor to the John M. Kelly Library of the valued Sable Collection of books dealing with the French Romantic period.

In addressing Convocation Bishop Ramirez reflected on the arrival of Columbus on this continent, noting that

Hispanic culture still has many riches to offer our society, especially respect for family life and strong religious faith.

The celebrations continued at a reception for the graduates and their families and friends in Brennan Lounge of the Odette Centre.

with option payments of over a million dollars a year from the developer; these ceased in August of 1992. Until property values restabilize and a new and satisfactory sale agreement can be made, our challenge is to raise \$1,300,000 annually, over and above our regular expected income, which includes the proceeds from our Annual Fund.

Part of our five-year-survival plan is even now being implemented, and we have received generous commitments from Catholic organizations and institutions who recognize the importance of the University of St.

Michael's College to the Catholic intellectual tradition in Canada, North America and abroad. Crucial to that five-year-survival plan are the St. Michael's alumni. Each of you is presented with the opportunity to stand with St. Michael's at this crucial time in its history. In the months ahead you will receive more detailed information about the role your Alumni Board call upon you to play in St. Michael's efforts to meet the challenge of the 1990's.

Thank you for your support in the past; St. Michael's looks to you once again to assure its future.

## WE'RE SORRY

Publishing donor lists, or any lists, has its pitfalls, one of which is the unintentional omission of some names. Well, we "pitfelled" in our last issue of this newsletter. Fortunately we discovered our mistake and volunteer this apology to Geraldine O'Meara 4T7 and to Peggy Ryan Williams 6T8, and to others who may be still wandering in our computer, for omitting them from the list of donors to the 1991-92 Annual Fund. We acknowledge and thank them for their Annual Fund gifts.

Frank recently wrote a note to the Alumni Office in which he recollected playing baseball "with some good semi-pro teams" on the Bay Street lands.

## A central figure in St. Michael's recent history

In the early hours of 21 January Father Norman Iversen, C.S.B. fell victim to a sudden and, as it proved, fatal blood infection which affected his entire system. As with Professor Philippe Lafoury and Father Michael Sheehan, he was a central figure in the College's recent history.

Alumni of the 1962 to 1985 years will remember Fr. Iversen as Treasurer of St. Michael's. He worked with Fr. John Kelly and others in the planning, construction and furnishing of the addition to Brennan Hall and of the Kelly Library, and was involved with Fr. Peter Swan and then-Principal William Dunphy in renovation plans for what is now Alumni Hall.

Fr. Iversen's talents were not limited

to administration. Many alumni will remember him as a History lecturer and tutor in the "Western" or "Freshman" Course and in the Faculty of Theology. Although his activities were drastically

Father Norman Iversen, C.S.B. 5T3, 1927-1993

reduced because of a life-threatening aneurism in 1983, he remained on campus; in recent years was Director of Student Awards. He was at work in his office when he fell ill and had to be hospitalized.

In every position he held, Fr. Iversen came to know the students, faculty and staff of the College. As his many friends know, his sardonic humour and initial blunt manner

masked a sensitivity which endeared him to many and led him to befriend those in need of assistance and counselling. He, too, will be missed.

deceased St. Michael's alumni and professors are being placed in Alumni Hall. The first to be so commemorated are Cardinal George Flahiff, Morley Callaghan, the Right Honourable Paul Martin, and Marshall McLuhan.

-Professor Petro Bilaniuk, Department of Religious Studies and the Faculty of Theology, was presented with a Festschrift at a reception in Toronto City Hall 10 October 1992.

-St. Michael's marked Remembrance Day with a prayer service at the College War Memorial. Reverend Monsignor Edward Synan, Professor of Philosophy laid a wreath at the memorial, and Dean of Men, Alexander Reford 8T4, played "The Last Post." The College Chaplaincy directed the service.

-St. Michael's is playing a major role in efforts to convince the UoF Department of Athletics and Recreation to reconsider its decision to cut certain intramural sports, including the Mulock Cup league, from the University's athletic programme. The role played by Dean of College Alexander Reford 8T4 has been greatly appreciated by all those involved.

-The University of Toronto's McLuhan Program in Culture and Technology, housed on campus, has initiated a new project, ARENA (Association for Research in Electronic Network Arts), to establish an international videoconferencing network for research in arts, technology and culture. Also, it has signed an agreement of collaboration with TVOntario's French network, and has begun negotiations with Toronto's City TV. Professor Derrick de Kerckhove Director of the Program and Professor of French at St. Michael's is advisor to the Ontario Ministry of Culture and Communications, and during this past fall gave lectures in Germany, Holland, France, Italy and the United States and addressed the UNESCO meeting on arts and technology.

-Efforts by Professor Fred Flahiff of the English Department have influenced McClelland and Stewart's publication of Deep Hollow Creek. The book has been nominated for the Governor General's award for fiction. When its author, Canadian writer Sheila Watson, first submitted the novel for publication fifty years ago, it was rejected.

☛ As you can see, a pre-Christmas snow storm had mixed effects on the campus, creating a winter wonder-land but destroying the majestic linden tree Fr. Scollard planted fifty years ago in Scollard park, between Brennan Hall and St. Basil's Church.

-Fr. Leonard Boyle, O.P., Prefect of the Vatican Library and Emeritus Fellow of the Pontifical Institute of Medieval Studies, delivered the inaugural J. Reginald O'Donnell C.S.B. Memorial Lecture, established by the University of Toronto's Centre for Medieval Studies, to commemorate the work of the late Fr. O'Donnell in the study and teaching of medieval Latin. Fr. Boyle spoke about the Vatican Library's medieval Latin manuscripts.

-The UoF Italian Club, whose office is at St. Mike's, sponsored Festa all'Italiana, a tasty, zesty Italian dinner in St. Basil's Parish Hall 27 November. The proceeds were donated to the Toronto Archdiocese Share Life Campaign ➔

-Students and staff of the St. Michael's Chaplaincy hosted and organized the annual Canadian Catholic Students Regional Conference in January. Two-hundred students from Ontario and Quebec attended.

-The building formerly known as St. Basil's Seminary, erected in 1950-51, has been completely renovated and renamed "The Cardinal George Flahiff Basilian Centre." The building houses Basilian seminarians and staff, offices of the Basilian Curia and of the Basilian Institutes of Spirituality and Pastoral Study. Offices and classrooms of St. Michael's Faculty of Theology and of St. Augustine's Seminary are also situated there; one floor is a residence for retired Basilians.

☛ There is nothing like tradition! Over the past decade, the "Smith-men from Bowmanville" have contributed to and been identified with College and resident life. David (in Medical School), Geoffrey and Stephen (undergraduates), are in residence; Richard is a pharmacist in Oshawa, and Andrew is a resident surgeon in a Toronto hospital.

# f ALL HOM

You just cannot beat a gathering of good friends--and that is exactly what "Homecoming '92" was. Over three hundred St. Mike's grads from various years mixed and reminisced in Brennan Lounge of the Odette Centre at the Friday night cash-bar reception and light buffet. Alumni and students mingled in the lounge and at the "Homecoming Pub" in the Coop; the students were amazed at the stamina of many of the alumni who lingered until the wee wee hours. There was even more amazement Saturday afternoon as the alumni, sparked by Frank Kiely 5T8, defeated the St. Mike's

President Rick speaks to the St. M.

# St. Michael's loses valued priest, teacher, scholar, friend

Father Michael Sheehan, C.S.B.  
1925-1992

A bicycling accident on 23 August took the life of Fr. Michael Sheehan, C.S.B. 4T7, Senior Fellow of the Pontifical Institute of Mediaeval Studies. From 1953 until his death Father Sheehan was a respected and revered teacher, colleague and friend in the Pontifical Institute, in St. Michael's and in the University of Toronto. His lectures and publications on wills, on marriage and family life, and on the place of women, made him a leading, even pioneering, scholar in several areas of medieval social and legal history. At the time of his death Father Sheehan was Vice-President of the Medieval Academy of America and would have become its President in two years. Colleagues and former students were preparing, unknown to him, a *Festschrift* in his honour; it will now be published in his memory. On 27 November members of the international academic community mourned his death at a special memorial service in St. Basil's Church.

The Archdiocese of Toronto benefited from his priestly ministry each Sunday in the local parishes and from his membership on its Committee on Sacred Architecture, its Liturgical Committee, and its Family Pastoral Service Committee; he also chaired its Task Force on Catholic Family Life.

Students, colleagues, and confreres were among the many people who sought his spiritual, academic and professional guidance.

He is sorely missed.

## ST. MICHAEL'S/ UofT VISA AFFINITY CARD REPORT

We have been distributing applications for the UofT Visa Card

programme in various ways during the past three years. The University receives a percentage of all UofT Affinity Visa Card purchases; St. Michael's receives 45% of that amount for each St. Michael's card holder purchase. Here are some statistics that may be of interest: in 1991, 597 card holders brought \$3,982 to the College; in 1992, 866 card holders resulted in \$4,437. So, in two years St. Michael's has received \$8,419.

Thanks to those who are participating in the programme; the money is being used to meet the expenses of new books for the Kelly Library and of the College's special academic programmes. As you can see, the success of this programme for St. Michael's depends entirely on the number participating in the programme. If you wish an application form, please notify the St. Michael's Alumni Office.

# PAUL MARTIN 2T5

1903-1992

When the Right Honorable Paul Martin died in September 1992, St. Michael's lost one of its most well-known and illustrious graduates. The many articles and comments published at the time of his death testify to the important role he played in Canadian history as a diplomat, politician, and statesman.

From his graduation on, Mr. Martin maintained his relationship with St. Michael's. He has been succeeded at St. Michael's by his son Paul and by three grandsons, Paul, James, and, at present a Freshman, David. Not many months before his death Mr. Martin invited St. Michael's President Richard Alway to visit him in his home in Windsor, Ont., and, even in this last illness, showed clearly his interest in St. Michael's as well as his devotion and loyalty.

With the passing of the Right Honourable Paul Martin, an eminent Canadian and St. Michael's graduate has left our scene. One cannot help but wonder if, on passing through the heavenly gates, he began eternity with the greeting with which he saluted almost every group he addressed, "Anybody here from Windsor?"

# The sixth annual Alumni Opera Lecture by Father Owen Lee, C.S.B.

-SUNDAY, 16 MAY 1993

## *"FIDELIO: BEETHOVEN'S ACT OF FAITH"*

Fr. Owen Lee, C.S.B. will give his annual alumni opera lecture on Sunday 16 May 1993 at 2:00 P.M. in the Senate Chamber, Alumni Hall, 121 St. Joseph St., St. Michael's College.

Students of Father Lee know him as an outstanding Classics teacher. Colleagues know him as a genial and respected scholar and author. Opera lovers, and listeners to the broadcasts of the Canadian Opera Company and of the Metropolitan Opera Company know him for his brilliant opera commentaries, for his Opera Quiz performances, for his enlightening writings and tapes on opera, and for his entertaining yet challenging crossword puzzles in opera journals.

In his previous alumni lectures Father Lee has spoken on Verdi, Wagner, Mozart and Richard Strauss. This year it is Beethoven.

Seating is limited, so please fill out the reservation form below and return it with your cheque or money order, made out to St. Michael's Alumni Association, to the Alumni Office, St. Michael's College, 81 St. Mary St., Toronto, Ont., M5S 1J4. Your reservation will be confirmed by phone; tickets will be picked up at the lecture. The charge is \$15.00; refreshments served.

# FATHER ROBERT SCOLLARD, C.S.B. 2T8 CELEBRATES SIXTY YEARS AS A BASILIAN PRIEST

*Diamond Jubilarian Father Robert Scollard C.S.B. 2T8 and his sister, Sister Mary Robert Scollard, R.G.S. of the Good Shepherd Sisters*

On Sunday 20 December 1992 Father Robert Scollard, C.S.B. 2T8 celebrated his diamond jubilee as a Basilian priest. Bishop Robert Clune 4T1, Auxiliary Bishop of Toronto, was the Principal Concelebrant at the Mass of Thanksgiving offered in the College Chapel and attended by Father Scollard's family, and by many of his Basilian confreres and other friends. In his homily Father Scollard spoke of the members of his ordination class and expressed gratitude to God for his sixty priestly years. The Mass was followed by a reception in Brennan Lounge in the Odette Centre and then a dinner in the Basilian-faculty dining room.

Father Scollard was for years the St. Michael's librarian and archivist. The College owes much to his talents for organization, classification, and preservation. In his retirement Father continues to send news of the Class of 2T8 to his classmates and to beautify the campus by developing gardens in neglected and even formerly unsightly places.

The St. Michael's Alumni Association offers to Father Scollard best wishes, congratulations, and deep gratitude on the occasion of his diamond jubilee as a Basilian priest.

# Admission to St. Michael's College

By Father Robert O'Halloran,  
C.S.B., Registrar

Each year we invite alumni to inform us of their son's or daughter's application to St. Michael's College. With advance written notice of an application, the Office of the Registrar at St. Michael's can ensure the admission of a candidate who meets the requirements for admission to the Faculty of Arts and Science at the University of Toronto and for whom St. Michael's is a preferred College choice. Because of the number of students who apply to study at St. Michael's College, we are not always able to admit all eligible applicants; however, we do maintain a practice of admitting all eligible applicants who we know are sons or daughters of alumni.

Information on the University of Toronto, St. Michael's College, and on application procedures is available to Ontario students through the guidance office of their high school. Applicants from other Canadian provinces and from outside the country should write to the University of Toronto's Office of Admissions (315 Bloor Street West, Toronto, Ontario, M5S 1A3) for information on the University and admission procedures, and to St. Michael's College (81 St. Mary Street, Toronto, Ontario, M5S 1J4) for information about the College.

Application procedures are complex and can appear daunting at times. Both our office (416) 926-7117 and the Office of Admissions (416) 978-2771 will be happy to clarify points of procedure, and with advance notice, can provide

tours of the campus.

Applicants who indicate St. Michael's as their first choice of College in the Faculty of Arts and Science are assured a place in residence if admitted to the College. Some residence spaces are filled by professional faculty students who want to live at St. Michael's College. In recent years, all first-year applicants from Metropolitan Toronto who have been admitted to the College have also been given a place in residence if they requested it. Alumni are encouraged to contact the Deans of Residence to make them aware of their son's or daughter's application and to arrange a tour of the residence. For further information, please call: Loretto College (for women) at (416) 925-2833; St. Joseph's College (for women) at (416) 924-2121; St. Michael's College (for men) at (416) 926-7127.

## Professor Phillipe Lafaury and Father James Morro, C.S.B.

It is with deep regret that we announce the deaths of Professor Philippe Lafaury and of Father James Morro, C.S.B.

Father Morro taught oral French in the late 1960s while Treasurer and Director of Publications at the Pontifical Institute. At the invitation of the Auxiliary Bishop of Montreal he moved to Montreal in 1974, where he was chaplain in the Catholic school system until his return to Toronto in 1990 to assume the duties of Superior of the Basilian Fathers Residence. His health began to fail in 1991 and on 10 October 1992 he died in hospital of cardiac arrest.

Professor Philippe Lafaury came from France in 1962 to teach in the St. Michael's French Department. His intelligence, dedication, energy, and concern for students brought him respect, admiration, and appreciation from his colleagues and students. He served as the Discipline Representative for the St. Michael French Group and later as Director of the University of Toronto's French Programme in Aix-en-Provence, France. Two years ago he was diagnosed as having cancer. After a valiant struggle with the disease, he succumbed on 10 January 1993.

The Alumni Association extends its sympathy to the families of Professor Lafaury and of Father Morro.

## St. Michael's holds its first financial planning seminar

By Maude McCarty, Director of Development

On the evening of Thursday 12 November St. Michael's first financial planning seminar was offered by the Development Office as a public education forum for St. Michael's graduates and friends.

The evening's moderator, Rob Collins 6T2, lawyer and Chairman of St. Michael's Planned Giving Advisory Committee, introduced the speakers and presided over question-and-answer sessions. The seminar began with a presentation by Maureen Pappin 6T8, a partner with Deloitte & Touche, on tax planning in the '90s. Sean Foran, 8T2, an estate lawyer and associate with Morris/Rose/Ledgett, then talked about ways to preserve one's estate through the use of wills and trusts. Refreshments were served during a break between sessions, which provided an opportunity for participants to converse with the presenters and with one another. To conclude the evening, President Alway spoke about the history of St. Michael's, its financial situation, and how charitable giving forwards its mission.

The seminar was attended by some fifty persons who seemed to enjoy both the educative and social aspects of the evening. Many submitted evaluations, all of which were very favorable and encouraging of future events of this nature. Following the seminar, a number of participants submitted ideas for seminar topics. If you have suggestions, and/or would like to be informed of future financial planning seminars, please contact the Development Office at 926-7281.

## SPORTS SHORTS

The Mulock Cup team were not our only champions. Congratulations go to the Women's Division II basketball team and to the men's touch-football team, both of whom won their league titles.

If you are ever down on the Lake Ontario shore around 5:30 A.M. on rainy or clear, warm or cold, spring or fall mornings, you might get a glimpse of the UofT Varsity Rowing team braving the icy waters and chill breezes in their fragile vessels. Among their numbers would be over fifteen St. Michael's men and women. Ah, youth!

A count of St. Michael's participants in the College's own athletic programmes and in the University's Varsity and intramural athletic programmes would produce a figure of several hundred. Each year these athletes are honored at a modest dinner sponsored by the alumni. *Mens sana in corpore sano.*
